Subject: Our river needs a responsible cleanup

I want to make sure the river cleanup is good for the environment and jobs.

I am all for a clean river. We all enjoy visiting the parks and trails near the Willamette. But I also know that the river helps produce millions in wages for people and companies who work in the Portland harbor. Please be sure that your plan is good for them, too.

Please support the harbor jobs that are good for our community and our economy.

Sincerely,
